

American Cancer Society's **ROAD TO RECOVERY**

WHAT IS IT

The American Cancer Society Road To Recovery program provides transportation to and from treatment for people with cancer who do not have a ride or are unable to drive themselves.

Depending on your individual needs and what's available in your area, we may be able to coordinate a ride with an American Cancer Society volunteer driver.

Road To Recovery®

- ✓ **Drivers Available in Fresno County!**
Volunteer drivers are between the ages of 18 and 84, have a valid driver's license, pass a background check, and have access to a safe, reliable car. There are currently drivers available in Fresno, Clovis, Firebaugh, and Sanger!

- ✓ **Eligibility is easy!**
Patients must be traveling to a cancer-related medical appointment. Other eligibility requirements may apply. For example, a caregiver may need to accompany a patient who cannot walk without help, or is under age 18.
